

Dear Sir or Madam:

I want to share with you how K-Love 89.5 in El Paso, Texas has benefited my life.

In July 2003, after a crisis in our family, I fell into a deep depression. Someone who cared about my well-being recommended that I listen to K-Love. My whole outlook on life changed. I turned my situation over to our Lord; I fell in love with Christian music; and K-Love's ministry partners provided me with insightful information on Christian living.

In July 2003, I was working outside the city limits of El Paso, Texas. I would travel about one hour to Fabens, Texas, a small rural town. I often cried and was filled with dark thoughts on my long drives to and from work. Because I was able to have a clear broadcast on these drives, my life began to change. Soon after, I sought help for my emotional and spiritual well-being.

Now I work within the El Paso city limits and K-Love is the only radio station I listen to. Our 45-minute commute into Downtown El Paso provides my six-year-old daughter and I a wonderful opportunity sing and discuss questions she has about the Lord. K-Love is the only radio station that I know of that provides a safe environment for my little girl's ears.

My family and I are so grateful for K-Love. Their ministry has helped us deeply. It would be a disservice to our community if K-Love was displaced by an LPFM broadcaster providing other programming. No other local radio station provides the same services that K-Love provides. K-Love helped me personally get through one of the darkest periods of my life. Please allow K-Love to continue doing the same for others.

Thank you for your consideration.

Yours in Christ,

Isela Montes
